

## EXECUTIVE PROFILE

### Reginald D. Hedgebeth

*General Counsel  
Chief Ethics and Compliance Officer  
Spectra Energy Corp*

Reggie Hedgebeth is general counsel and chief ethics and compliance officer for Spectra Energy Corp. In his current role, he is responsible for the company's legal department, office of the corporate secretary, compliance, regulatory affairs and government relations. He also leads the company's global supply chain function.

Hedgebeth joined Spectra Energy in March 2009. He most recently served as senior vice president, general counsel and secretary with Circuit City Stores, Inc., a role he assumed in 2005. At Circuit City, he managed the legal, compliance, regulatory and government relations functions and also served as chief procurement officer.

Prior to joining Circuit City, Hedgebeth was vice president of legal for The Home Depot, Inc., where he provided legal support to the retail stores and various corporate departments including merchandising, procurement, finance and treasury, construction, maintenance and energy management, information technology, call centers, store operations, loss prevention, vendor relations and global supply chain. He also supported The Home Depot's international operations in Canada and China and was responsible for privacy and antitrust matters.

Hedgebeth began his legal career as an associate at King and Spalding, LLP and prior to law school held various finance and real estate positions at GE Capital.

He graduated with honors from Harvard Law School and Penn State University.

Hedgebeth currently serves on the board of directors of The Brink's Company and previously served on the boards of the William Byrd Community House in Richmond, Va. and the Urban League of Greater Atlanta. He is a recipient of the Houston Business Journal's 2011 Best General Counsel Award and was recently named an Outstanding Scholar Alumnus by the Schreyer Honors College at Penn State University.

*Spectra Energy Corp (NYSE: SE), a FORTUNE 500 company, is one of North America's premier natural gas infrastructure companies serving three key links in the natural gas value chain: gathering and processing, transmission and storage, and distribution. For more than a century, Spectra Energy and its predecessor companies have developed critically important pipelines and related infrastructure connecting natural gas supply sources to premium markets. Based in Houston, Texas, the company's operations in the United States and Canada include more than 19,000 miles of transmission pipeline, approximately 305 billion cubic feet of storage, as well as natural gas gathering and processing, natural gas liquids and local distribution operations. The company also has a 50 percent ownership in DCP Midstream, one of the largest natural gas gatherers and processors in the United States. Spectra Energy is a member of the Dow Jones Sustainability World and North America Indexes and the U.S. S&P 500 Carbon Disclosure Project's Carbon Disclosure Leadership Index.
