

EXECUTIVE PROFILE

Stephen W. Baker

President
Union Gas Limited

Steve Baker is president of Union Gas Limited, Spectra Energy's Ontario-based natural gas storage, transmission and distribution company.

Baker brings a wealth of financial, business development, marketing and customer service experience to the role, which he assumed in January 2012.

Baker joined Union Gas in 1989 and has held a number of executive leadership positions in regulatory, finance and marketing over the course of his career. Prior to his current role, he served as vice president and treasurer of Spectra Energy Corp. He also previously served as vice president of business development – storage and transmission for Union Gas, managing the business development activities for storage and transmission as well as gas supply acquisition and planning, product and service development, customer support, system planning and capacity management.

Prior to joining Union Gas, Baker was an accountant with Clarkson Gordon (Ernst & Young). During his four years with Clarkson Gordon, he worked in audit and tax and served a variety of corporate clients.

Baker is a chartered accountant and a certified management accountant. He obtained his Bachelor of Arts in honours chartered accountancy studies from the University of Waterloo in 1986 and his Master of Accounting from the University of Waterloo in 1987. He is a member of the Institute of Chartered Accountants of Ontario, the Canadian Institute of Chartered Accountants and The Society of Management Accountants of Ontario.

Union Gas Limited is a major Canadian natural gas storage, transmission and distribution company based in Ontario with 100 years of experience and service to customers. The distribution business serves about 1.4 million residential, commercial and industrial customers in more than 400 communities across northern, southwestern and eastern Ontario. Union Gas' growing storage and transmission business offers premium storage and transportation services to customers at the Dawn Hub, the largest underground storage facility in Canada and one of the largest in North America. It offers customers an important link in the movement of natural gas from Western Canadian and U.S. supply basins to markets in central Canada and the northeast U.S. Union Gas, one of Canada's Top 100 Employers for 2012, is a Spectra Energy (NYSE: SE) company with assets of \$5.6 billion and approximately 2,200 employees.
