

## Safety Vision

---

Spectra Energy employees and contractors at every level demonstrate personal commitment to continuous safety improvement, resulting in a zero injury and zero work-related illness culture.

## Safety Principles

---

- Safety begins at the top.
- Injuries and work-related illnesses are preventable.
- Identifying and minimizing safety and health risks are priorities.
- Personal ownership for safety and looking out for others is essential.
- Openness, feedback and trust are keys to safety success.
- Safety is good business and a critical aspect of a high performance organization.
